Subject: Jack Palmer Notice of UAO ROC

I just spoke with Jack Palmer. He stated he worked for KTI Fish, and that he bought the property for \$1. He and Mr. Hudson thought they were getting a deal with the property because they had not gotten a bonus that year. Mr. Palmer is unable to work because is almost blind. He did state that he gave access to a lady from Dow, he wasn't positive who he gave access. He will provide access for us to clean up the site. Due to the fact that 5 acres of the land is Federal Wetlands, they have not paid taxes for the property and the county is trying to foreclose on the property.
